Odyssey. A far reaching journey. An unknown quest. A series of adventures. Destiny unforeseeable. We, the students of Birmingham High School, have a personal odyssey. We travel together as a singular entity desiring the same goal. We search to expand our educational enrichment. We seek the unknown and the new. Reason? Preparation of the odyssey ahead: our future.

November 16, 1979 will definitely go down as the date of one of Birmingham's greatest Homecomings. It was kicked off by a great Spaghetti Dinner with live entertainment. Then the Traditional Homecoming Parade led by Knights and Ladies Presidents Mike Singer and Melissa Effron. Even though the game was a little disappointing, the Band and Drill Team put on an excellent, colorful and exciting half-time show. During the third quarter, past cheerleaders joined present cheerleaders, and showed us how great Birmingham spirit is.

THE LAST QUEEN OF THE SEVENTIES

The major highlight of the sport season is always the culminating Homecoming. This includes a lavish parade of floats, the marching band and drill team, cheerleading demonstrations, and general fun. Next is the big game and, finally, on Saturday night, the Homecoming Dance where the Queen and her Royal Court are crowned. The function is fabulously attended and highlighted by the alumni.

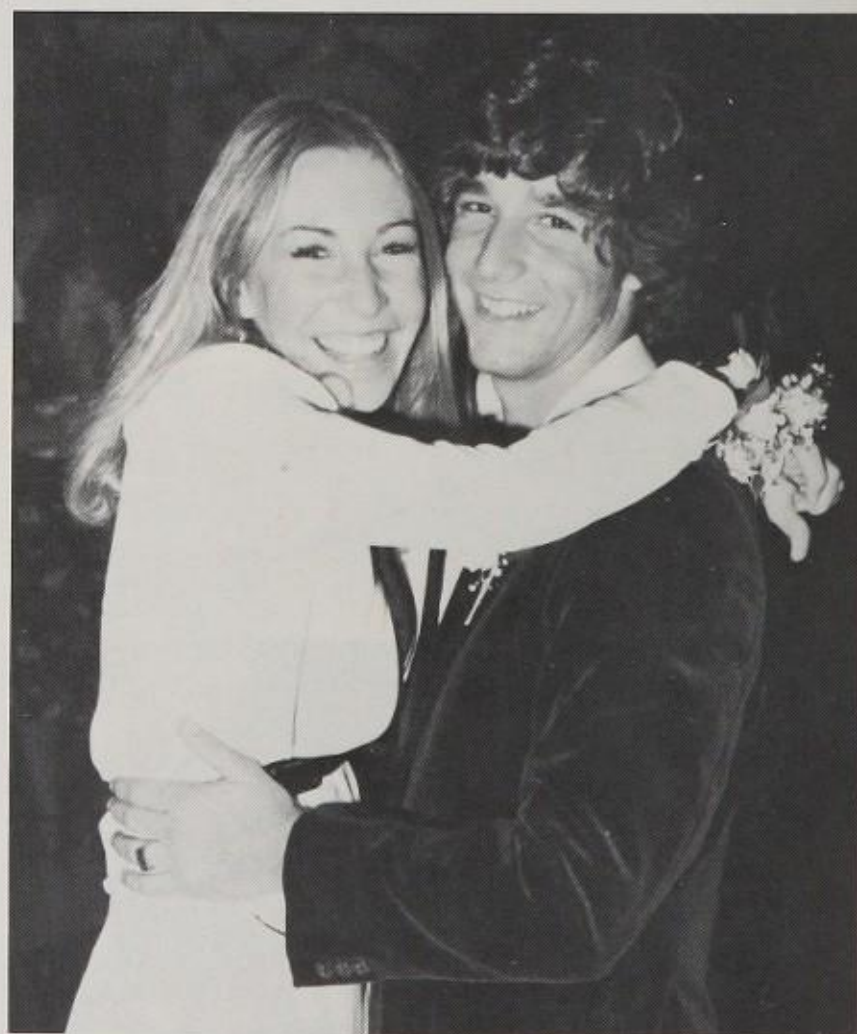

The 1979-1980 Homecoming Queen, Miss Kelly Conway is a dazzling example of the good taste of the Birmingham Braves. It proved to be a special night for all as the last Homecoming Queen of the decade kissed the Seventies goodbye.

At the University of Pepperdine the fun, along with a lot of hard work, began last summer at camp. The girls worked together to perfect their timing and routines. They were awarded for their efforts the title "Super Squad."

This year, the Yell Leaders were, as usual, an exciting and colorful part of the football season. Their acrobatic stunts gave us all arousing good times.

Powder Puff '80 was the greatest game in all of Birmingham's history. The Seniors, showed their superb talent and proved without a doubt they are #1. The Juniors played well but they have to go a long way before they try to beat the class of '80.

DANCE! DANCE!

The 1979 Vice Versa dance was held in the Multipurpose Room on a beautiful December evening and a good time was held by all.

This popular "turnabout" dance gave the gals a chance to ask their favorite beaux out for the evening and to pick The Most Desirable Male for each grade level.

The music was good, the dancing was fantastic, and the tradition was carried on.

AND THE BEAT GOES ON . . .

The 1979-80 sports season was, once again, a great rousing good time with the Birmingham High Marching Band in full swing at all the major events.

Colorful and dynamic as always, this year the band displayed an extra zing under the new leadership of Band Director Mr. David Grove.

Along with all the sport-events at B.H.S., the band was busy around the valley area in various parades, marching events, and other forms of musical action.

Thanks, Marching Band, for the good music and the good times!

SENIOR PROM 1980

The Senior Prom of the Class of 1980 was held on a warm summer evening in April at the beautiful Marriot Hotel.

The Seniors were splendid in their formal attire and the music was Disco and romantic. The girls were lovely in their gowns of many styles and moods and the boys were handsome in their multi-colored tuxs.

The Prom represented the last social gathering of the senior class and it was a beautiful night that will be recalled many times in the years to come.

THE ADMINISTRATION

Mr. John D. Falxa, Principal

Braves,

This past year has brought beautification and new facilities to make Birmingham High the envy of the school district.

Landscaping now replaces the barren areas of the campus. The addition of first-rate baseball and soccer fields now gives the braves the most complete sports complex in the valley, thanks to the Board of Education, the Dad's Club and the money raised in the candy drive two years ago.

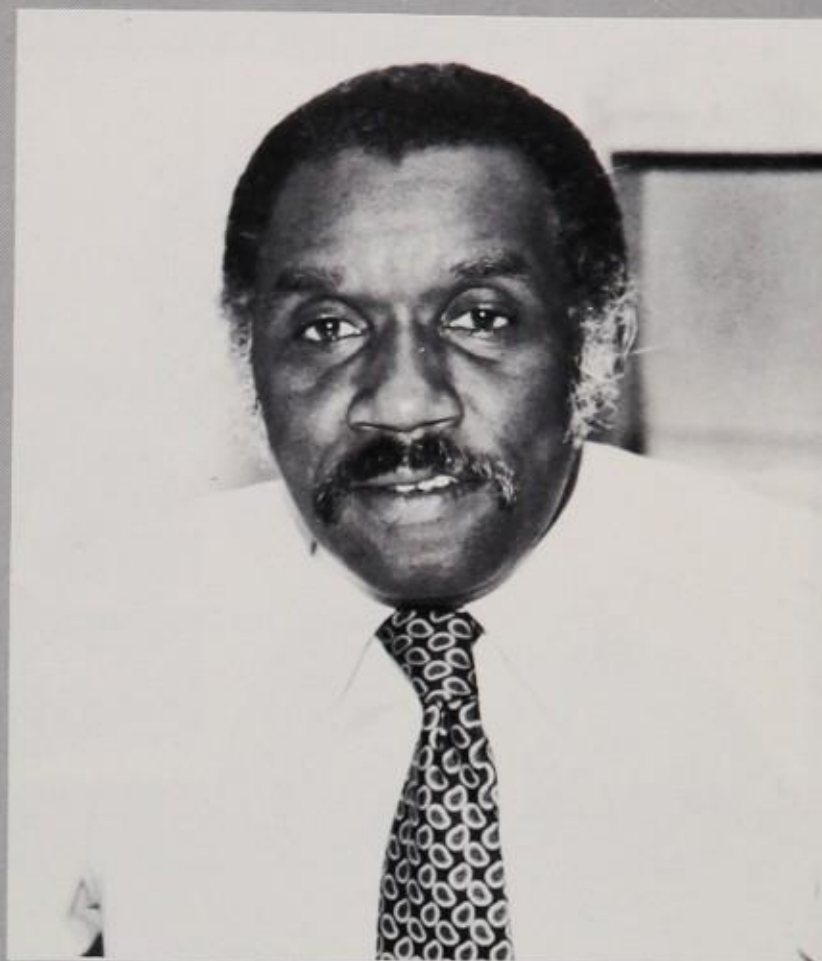

The Brave byword — academic excellence — continues to be foremost.

May the graduating seniors attain the goals they set out to achieve.

COUNSELORS

The counseling and guidance services at B.H.S. help the student in many ways. Not only do they help with educational development, they are useful for personal and career development as well.

The college, scholarship, career and work experience advisors all work together to assist the students in finding their interests and to attain a realistic career goal.

The individual counselor takes care of all the concerns of the pupils. And, many times, is a good friend in the time of need.

AUTOGRAPHS

Dear Scott,

I really don't know where to begin. We've been through so much together this year. I can still remember the time when I first came over your house in a surgeon's outfit, when I saw you in mammoth (who else would ski in O.P.'s), when we gave your car a beauty bath - (and you gave my ~~head~~ head an egg rinse) and most of all I still remember the time you and Scott Leeds came over my house.

Anyhow what I really would like to say is you're a really special person to me. You really make life living for because without you I don't ever think I would of come to school.

I really want to thank-you for all you've done for me. Especially helping me with Algebra and taking me home, but most of all I want to thank-you for being my friend.
I Love you.

Shaunah.

P.S. Can we go skiing sometime?

P.S.S. As the song by Blondie goes:

"Call me" - 788-1409 - (and let's make plans this summer).

P.S.S.S. - LETS GET MARRIED O.K!!

FALL SENIOR COUNCIL

The Seniors started out the year getting publicity for the Senior Class by circulating tags with Return of the Pink Panther. The first activity was the Senior Beach party during activity period. Senior Council sponsored the greatest Halloween Dance ever. Of course they took Sweepstakes with their fantastic Homecoming Float The Thrill of Victory and the Agony of Defeat. The Seniors had a fantastic victory over the Juniors.

GIRLS' TENNIS MAKES A RAQUET!

The Tennis Team this year had an excellent season. This year's record was 6-4 and losing three matches very closely. They placed 3rd in league and stand-outs such as Amy Baer and Lisa Cowan went to the 2nd round in the Individual City Tournament. We appreciate our Girls' Tennis Team for their great effort of the season!!! Thanks.

The explosive spirit of the Girls' Tennis Team was equal to the saying "The Girls' Tennis Team makes a raquet!!!"

CAROL LEWIS

Coaches comments!

"Even though we finished third in the League, the matches were lost by one or tie-breakers. Our three singles: Karen Leff, Carol Barnett, and Lisa Keisch were all very strong this season. Next year we will have many talented returning players."

KNIGHTS AND LADIES

The Knights and Ladies are the largest service organizations on the B.H.S. campus and certainly the busiest. Under the watchfull eye of sponser Mr. Lou Rameriz, this year was, as usual, a time of much activity and hard work.

The reliable Knights-Ladies are in evidence at all major school events organizing and helping out where needed.

Under the leadership of Mike Singer, President of Knights and Mellisa Efron, President of Ladies the 1979-80 school was a great success.

RELIABLE STAGE CREW

The State Crew, under the direction of Mr. T. Rowland, is a vital and intricate part of all events staged in the Performing Arts Center. Lighting and staging for these events means many long hours of extra work by the crew.

Birmingham High thanks you for your hard work and welcomes new instructor, Mr. T. Rowlands.

THE ARTISTRY OF PHOTOGRAPHY

The Photography classes are an intricate part of the Art Department at Birmingham High School. The classes range in gaumet from beginning to advanced. Selected works are displayed in the school's annual Art Show.

Classroom instruction, according to instructor Mr. Roger Arst, is based upon design emphasis as well as the technical aspects of Photography.

Mr. Arst, an exhibiting artist in his own right, maintains the camera is no longer merely a commercial tool but a medium in which the artist can make a creative statement.

The 1979-80 Yearbook Staff had a very hectic but rewarding year in trying to put together the largest and best yearbook in the history of the school. We hope the results are met with your approval. Our apologies for the misspelled names and omitted photos that are apt to happen in such an undertaking. All in all, a lot of hard work, good laughs, and many, many extra hours were put in by everybody. Mr. T. Nielsen was new to the job of Advisor to the Yearbook and he found the production "interesting" even if he did age considerably over the past year.

Many people helped to make the job easier and we wish to thank them:

Taylor Publishing Co. . . . for their patience

O'Conner Brothers Photography . . . especially "Dan"

Gary's Tuxedos . . . for their help

Mr. Lou Ramirez & Co. . . . for lots of assistance

Mr. S. Gilman and the Financial Office Staff

Miss June Robathan A.P. . . . for being a friend in need
